

The TWO-MAN BASKET

Another in a long line of dependable, performance-proven products designed to save time, money and improve safety.

Avoid costly fall accidents and utilize your boomtruck to the fullest with the Giuffre Bros. Man Basket. Adding this valuable accessory will convert most* boom trucks into a high-reach personnel lift in minutes. Complete the toughest jobs with your own boom truck and avoid unsafe heavy ladders, expensive, hard to transport manlifts, and bucket trucks with this inexpensive time saver.

TWO MAN BASKET

WEIGHT- 400 LBS. • SIZE - 42" x 90" x 42"

TIP ADAPTER

WEIGHT- 65 LBS.

Also available in single person configuration!

SIZE - 30" x 32" x 42"

Note: Make sure total weight of basket and contents never exceed the capacity of crane for basket work

Coupled with the TIP-ADAPTER, the manbasket is the ultimate tool to complete your job. When installed, the TIP-ADAPTER extends the basket away from the boom tip, preventing costly cable wear, and unsafe man basket damage.
